

Global Impact

We are local people, just like you. Together we can achieve extraordinary things!

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Whether it is purchasing a goat to help support a Haitian family, supporting Rotary International's global effort to end Polio forever, or installing Peace Poles here at home as symbols of international unity and strength for all, in Rotary you become a part of a world-wide network of people supporting hundreds of global projects.

Rotary Four-Way Test

The Rotary Four-Way Test has been the standard by which actions are measured. It asks the following four questions of all that we do...

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

The flag at Jachimowski Overlook in Seymour's French Park is sponsored by the AnSeOx Rotary.
